

## SOLAUT S.A. (PAPIERTTEI) completed its first Inteliam Business & Sustainability rating

Inteliam expands its presence in LATAM, after being appointed to provide business and sustainability assessment to Papierttei, specialist in spare parts distribution.

Soluaut S.A. (Papierttei), an Argentinian leading player of the aftermarket automotive market, took part in the Inteliam evaluation. The company is at the forefront in the sector, for its outstanding performance on different themes, especially to actions related to human resources, risk management, strategic planning and financial control. The association with Inteliam helps Papierttei to enhance its role in the market and to look further into even more advanced strategies, such as on topics of sustainability and processes formalization. Furthermore, it allows Papierttei to be part of a platform that connects different players of the sector.

**Patricio Mazzuchi**  
CEO of SOLAUT S.A. (PAPIERTTEI)

"Working with Inteliam was very enriching. We were able to have an overview on our strengths and also on the areas that we can improve. Being part of the questionnaire was an important moment to think about our processes and on how to formalize them"

**Antoine Soulier**  
CEO of Inteliam

"Papierttie is definitely an outstanding and progressive company. Towards the whole process, Papierttie's team was very engaged to understand the assessment to take the best out of it. Papierttie definitely brings transparency and progress as core values. We appreciate a lot the collaboration!"

Solaut S.A. (Papierttei) is an Argentine company, with more than 70 years of experience, being a distribution, logistics and marketing company in the aftermarket products and tools sector. The company is specialised in Auto Parts, Diesel Injection, Workshop Equipment and Power tools, manuals and supplies for professionals as well as logistics for third parties.
